

Serving the community since 1969

*We believe that art and culture defines the identity of a community and is the basis for social, economic and environmental sustainability.*

*We exist to engage arts, culture and heritage to benefit communities from Yahk to Riondel.*

### A BIT ABOUT WHAT WE DO

- Through our volunteer board we adjudicate and distribute funds for individuals, groups and festivals.
- We research and network information, resources, funding and educational opportunities and partner with other organizations.
- We are proactive for the growth and health of our community through the arts.
- We are committed to developing as an Arts Council and to envision and respond to the needs of the community.
- We have a growing list of projects to fulfill identified goals.
